NC Leukemia - Lymphoma.org request for a cycle coach

This is to support a cycling event to raise money for leukemia research. Peggy James will lead training riders for riders who want to participate. This could be worked into Sunday rides.

CNC request for HVC support -

Cycle North Carolina has request for HVC support. The ride will be in Hickory Oct 3rd.

Jim and Steve are interested in having the ride start at Rock Barn since this is the same week as the golf tournament. This will give cycling more exposure.

Race Team update & plans

Rock&Road has paid the license fee. 13 people currently interested. LR will also have a race team If interested contact Bryan Smith.

New Club and Race Team jersey status

We need to order jerseys. The design is on the web site. Fit kits is at Rock&Road. Please place you order ASAP. Also the LR race team will have a jersey available.

Inputs for major events participation by HVC in 2005

Assault on Mitchell date is Friday May 20th. BTB Sept 18th. MS ride Sept 23&24. Anyone interested in the MS ride can register with Wachovia. As event dates are closer more coordination will be needed.

Hickory Race Track opportunity

Hickory Motor Speedway has there track available during winter months. \$400 a month for Tuesday night use. This would be about \$10-\$15 for club riders. This could be something the club could promote. There is other club riders interested. Steve will work with speedway to see if this is something we can do.

Sunday 1:30 ride guidelines

Sunday 1:30 will be the standard posted ride time. Rides should be established by ride leader before ride starts. Ride leader is responsible for the ride to stay the determined length and average speed. Jim Powers has ask pervious leaders to help organize rides. There will be a 50 mile ride for training. Average pace 14-16. This will offer people that doesn't want to ride a long ride, to ride with a large group and then split off the group to ride a shorter ride. We need someone to lead a beginner group each week. We need to offer something for beginning riders. Be aware of the traffic in the parking lot!!!

Next meeting date & place
