

FEBRUARY 15, 2007 HICKORY VELO CLUB

Meeting Minutes

11 active members present. Gar Atchison and Lanny Lambert were attending officers. Gar Atchison presided over the meeting.

The January minutes were reviewed and approved.

Club Financial report: \$3,154.47 in bank account and another pending deposit of \$600 waiting to be made. Currently we have 94 paid members.

Old Business

Steve gave an update for the Tuesday rides at the motor speedway. Currently we are about \$150 of breaking even for the year. This coming week is going to be great weather and we expect a big turnout.

Weekly ride schedule. Lanny is working on the details.

Howard gave update on hill climb series. Fleet Feet is willing to provide timing equipment. We will have to do these rides on a Tuesday as Mondays do not work for Fleet Feet.

Greenway is still in planning stages to include 35 miles. Gar suggested that the group should try to incorporate the roads with bike lanes into the group rides as much as possible. The city is working to provide them and we should use them as ingress and egress for our club rides. We should use the new lanes on 5th street rather than coming up H-127.

No report given on regional cycling council.

New Business

May 11th ride of Silence scheduled for 7:00pm. Katherine and Steve to work on details.

Conover school sent a thank you to club.

League of American bicyclists has been renewed.

Being no further business to attend to, the meeting was adjourned.
